

Nurse Practitioner (MRP)- Tillsonburg Site

The Ingersoll Nurse Practitioner-Led Clinic is recruiting 3 full time permanent Primary Health Care Nurse Practitioners (MRP) for our **Tillsonburg site**.

This posting is for existing vacancies. Compensation details are provided in accordance with Ontario employment legislation.

Artificial intelligence is not be used in the screening or assessment of applicants.

The successful candidate will work 37.5 hours per week that will include four (4) day shifts (8:30am- 4pm) and one (1) evening shift on Tuesdays (12pm- 7:30pm) to accommodate our extended hours.

The Ingersoll Nurse Practitioner-Led Clinic works within a patient-centered and self-management philosophy that places the patient at the centre of their care team. All members of the health care team provide care that reflects evidence-based practice and standards of care. The Ingersoll NPLC is committed to our community's wellness and that of our staff.

This is a great opportunity to work alongside an experienced, supportive team of Nurse Practitioners who are passionate about collaborative, high-quality care. You'll have the chance to build and manage your own practice, develop advanced clinical skills, and grow your confidence in comprehensive primary care. Our clinic offers mentorship, shared expertise, and a strong team culture that encourages professional growth and autonomy.

This posting will be open until June 1, 2026 or until filled. Interested candidates are to email their resume and cover letter to Stephanie Nevins, Executive Director at snevins@ingersollnplc.ca. If you would like to speak about the role before applying, questions can be directed to Jessie Rumble, Clinical Director / Nurse Practitioner Lead jrumble@ingersollnplc.ca

Please note that only those candidates selected for an interview will be contacted.

RESPONSIBILITIES

The Nurse Practitioner role includes the following core responsibilities:

- The successful candidate will act as Most Responsible Provider (MRP) and be responsible for building a practice of patients, providing holistic, evidence-based primary care, chronic disease management, preventative care, and health promotion. Target panel size of approximately 950 patients.
- Provide care that upholds the Standards of Practice: Nurse Practitioner (College of Nurses of Ontario) and the Canadian Nurse Practitioner Core Competency Framework (Canadian Nurses Association);
- Provides care that is based on evidence-based practice and quality standards within the context of a philosophy of nursing;
- Promote and participates in an interdisciplinary team model
- Demonstrate a commitment to workplace wellness that includes a respectful work environment, work-life balance, and self-care.
- Identify the patient, family and caregivers as fully engaged participants in their care
